Discussion Portal - Walk Through

Discussion Portal Link (ALL)

The screenshot displays the Discussion Portal interface. At the top, the browser address bar shows the URL `learning.ccbp.in/mentor-discussions/all`, which is highlighted with an orange box. Below the address bar is the **NXT WAVE™** logo.

The interface is divided into two main sections: a left sidebar for filters and a main content area for discussions.

Filters Section (Left Sidebar):

- Filters:** Includes buttons for **Apply** and **Clear**.
- My Discussions:** A radio button option.
- Not Clarified with Followup:** A radio button option.
- Approval Status:** A section with three radio button options: **Approved**, **Not Approved**, and **Rejected**.

Discussions Section (Main Content Area):

At the top of the discussions section, there are controls for sorting and filtering:

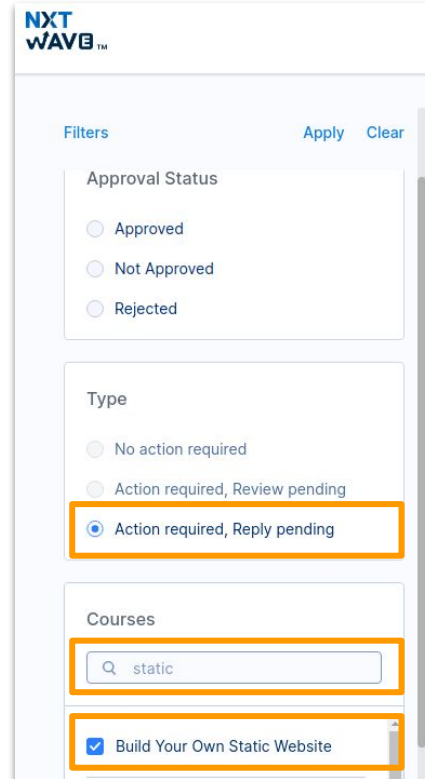

- SORT BY:** A dropdown menu currently set to **Latest**.
- FILTERS:** A dropdown menu currently set to **Text**.
- Search:** A search bar with a magnifying glass icon.

Below these controls, there are three discussion entries:

- explain**

Select Filter - Action required, Reply Pending and Course

The screenshot shows the 'Filters' section of the NXT WAVE Discussion Portal. It includes three filter categories: 'Approval Status', 'Type', and 'Courses'. The 'Type' filter has three options, with 'Action required, Reply pending' selected and highlighted by an orange box. The 'Courses' filter has a search bar containing 'static' and a list of courses, with 'Build Your Own Static Website' checked and highlighted by an orange box. The 'Apply' and 'Clear' buttons are located at the top right of the filter section.

Discussion Portal - Walk Through

Once the discussion is open, you will get the below screen

The screenshot displays the NXT WAVE Discussion Portal interface. On the left, there are filter sections for 'Approval Status' (Approved, Not Approved, Rejected), 'Type' (No action required, Action required, Review pending, Action required, Reply pending), and 'Courses' (Build Your Own Static Website, Static Website Design). The main content area shows a discussion titled 'Need Help: Test case failed' by Krishna Vamsi, a Professional user. The discussion text states 'One of the Test cases get failed related to background-image'. It includes an 'Add Tag' button, '0 Upvotes', '0 Replies', and an 'Assign to me' button. The interface also features a top navigation bar with 'Home', 'Code Playground', and a user profile icon, and a bottom navigation bar with the NXT WAVE logo.

Click on the Assign to me Button, before answering query

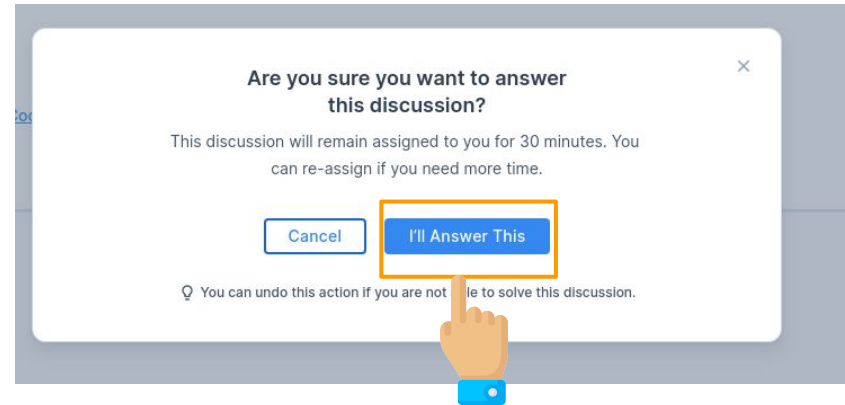

The screenshot displays the NXT WAVE Discussion Portal interface. On the left, there is a sidebar with filters for 'Approval Status' (Approved, Not Approved, Rejected) and 'Type' (No action required, Action required, Review pending, Action required, Reply pending). Below these are search filters for 'Courses' (Build Your Own Static Website, Static Website Design) and a search bar. The main content area shows a discussion post titled 'Need Help: Test case failed' by Krishna Vamsi, a PROFESSIONAL user, posted 6 minutes ago. The post content states 'One of the Test cases get failed related to background-image'. Below the post, there are buttons for 'Add Tag', '0 Upvotes', 'Reply', '0 Replies', and 'FOLLOW THIS DISCUSSION'. A hand cursor is pointing at the 'Assign to me' button, which is highlighted with an orange box. The top navigation bar includes links for Home, Code Playground, and a user profile icon.

Confirmation to Assign the Discussion

The screenshot displays the NXT WAVE Discussion Portal interface. On the left, there is a sidebar with filters for 'Not Clarified with Followup', 'Approval Status' (Approved, Not Approved, Rejected), 'Type' (No action required, Action required, Review pending, Action required, Reply pending), and 'Courses' (Essentials for Business Professionals, Setting Priorities, Essentials of Strategy). The main content area shows a discussion titled 'In carousel page buttons are not working, how to recorrect that to work?'. The discussion text states: 'In carousel page buttons are not working, how to recorrect that to work, next botton and previous botton both are not working in the coding practice.' The discussion is by Sanjeev Kumar, a GENIUS user, posted 6 minutes ago, and is marked 'TO BE REVIEWED'. A confirmation dialog is overlaid on the discussion, asking 'Are you sure you want to answer this discussion?'. The dialog text continues: 'This discussion will remain assigned to you for 30 minutes. You can re-assign if you need more time.' It features 'Cancel' and 'I'll Answer This' buttons. At the bottom of the dialog, it says: 'You can undo this action if you are not able to solve this discussion.' The background interface includes a top navigation bar with 'Home', 'Code Playground', and 'Bhavana' (with a user profile icon), and a 'Navigate to set' link.

Hi,

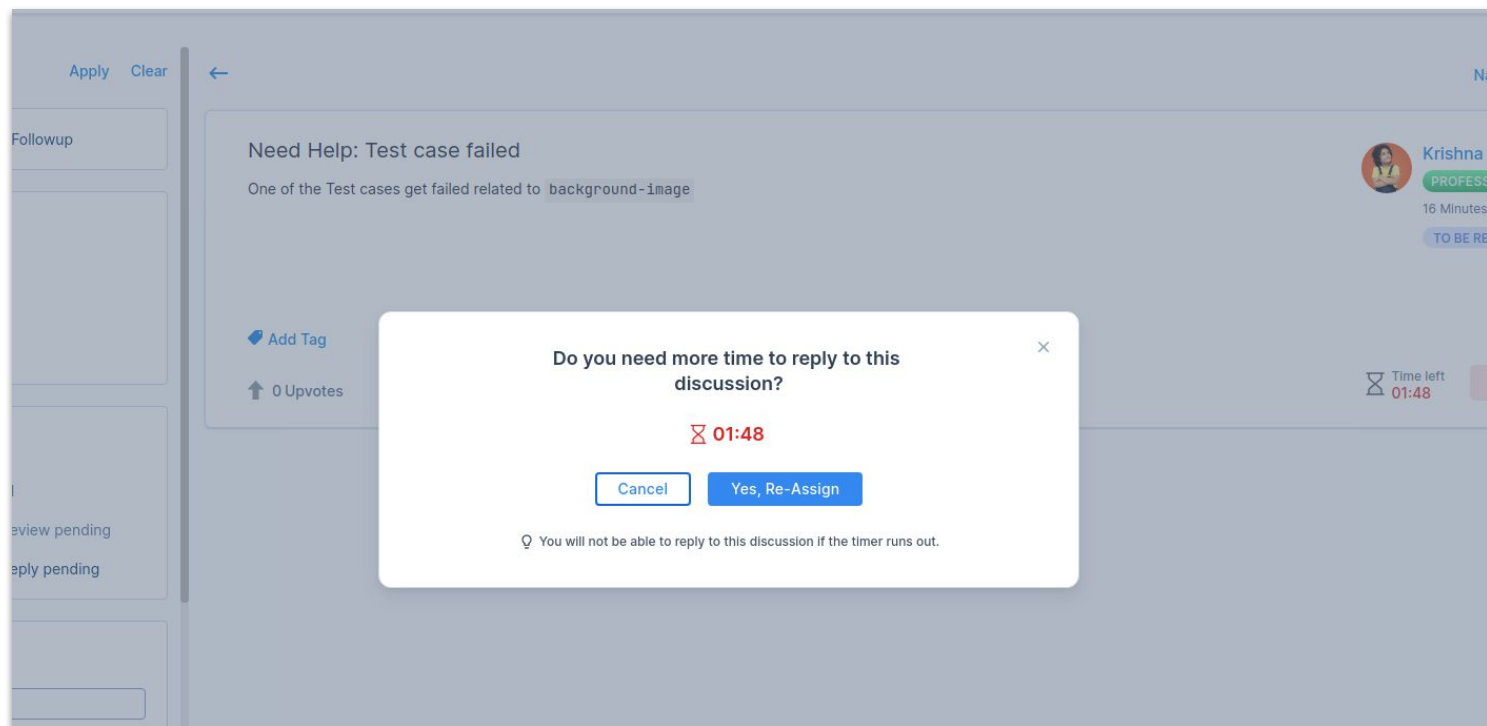

- In HTML code, you have missed **closing the tags properly**. Check your code and ensure all tags are properly closed to **avoid Syntax errors**.
- You have missed adding the CSS selector which contains the CSS property **background-image** to the div element
- Include the **Start** button **inside the div** element with CSS property **text-align** with value as the **center**

Check your code whether you have added a selector with CSS property **todo-card** to the div element!

Hi,

Refer to the below code to know how to change the color of the text in the HTML Heading element.

```
//HTML
<h1 class="heading">Main Heading</h1>

//CSS
.heading{
  color:white;
  background-color: blue;
}
```

Feel free to reach out to us if you have any other issues. Mark this discussion as clarified if your issue is resolved.
